Pre-reading

Questions:

- Have you heard of Waseca?
- What is it? Where is it?

Definitions:

- Author – the writer of a story or some other piece of written work

Reading

Waseca is a small town with 9,000 people. It is in southern Minnesota.

13 Waseca is a very beautiful city. It is very nice and quiet. People who live and work
30 in Waseca are very friendly and kind to foreign friends.

40 There are two lakes in town. One is Loon Lake. The other is Clear Lake.

55 There are a lot of ducks and geese in the lake areas. We once saw a mother duck
73 swimming with her ducklings.

77 There are two highways in Waseca. One is highway 13. The other is highway

91 14. The place where I live is very close to Highway 13. The place where I work is
109 very close to Highway 14.

114 There are two supermarkets near my home. One is Wal-Mart. One is Hy-Vee.

127 It takes me about five minutes to walk to them. The stores have anything you want

143 to buy. If you don't know where something is, you can ask the salesperson. They

158 are warm and friendly and will answer your questions. They will help you find

172 things.

173 I have been in Waseca for about one year and eight months. So far, I have

189 made quite a few good friends. They often help me. I love them so much! In short,

206 Waseca is a very beautiful place! I love the place, and I love the people who live and

224 work in Waseca!

227

Understanding
